Fire Assay Instrument Operator (Ref: VANFAIO_1806)

A WORLD LEADER IN TESTING, INSPECTION & CERTIFICATION SERVICES

Bureau Veritas offers dynamic, exciting employment opportunities to play a vital role with a global organization. If you would enjoy working in a dynamic environment and are looking for an opportunity to become part of a stellar team of professionals, we invite you to apply today.

Position Summary

Reporting to the FA Spectroscopy Manager, the Fire Assay Lab Technician Level 1 (Instrument Operator) position performs duties related to the fire assay analysis of client samples by ICP-ES, ICPMS and AA instruments. Working afternoon (3-11pm) and/or night (11pm to 7am) shift hours, this is a full time position based in Vancouver, BC.

Duties and Responsibilities

- Operate analytical instruments (AAS, ICP-ES and ICP-MS) to ensure fast and accurate processing of incoming samples in priority sequence.
- Compile, review and interpret analytical results
- Perform and document quality checks at all stages of sample handling, halting production where necessary by Hold card and written Nonconformity Report to the manager.
- Operate, maintain and ensure calibration records are kept for instrument according to written instruction.
- Responsible for overall maintenance of analytical instruments to generate the highest quality results, short term and long term.
- Comply with all company policies, occupational safety regulations, laboratory safety procedures, and requirements of applicable ISO Quality System SOPs
- Other duties or tasks as assigned from time to time

Experience and Qualifications

- BSc, BCIT diploma or relevant experience in production laboratory environment
- Strong computer and problem solving skills
- Able to work independently and as part of a team
- Experience in operating analytical instruments preferred but training will be provided
- Ability to effectively handle time critical issues and to work under pressure with tight deadline
- Must be available to work afternoon (3-11pm) and/or night (11pm to 7am) shift hours

Other Specifications

- Starting wage of \$16.50 per hour
 - Plus shift premium for both afternoon and night shifts
- Scheduled shuttle service provided from/to Marine Drive Skytrain station.

All interested candidates should forward both resume and cover letter by email, quoting reference **VANFAIO_181015** to: hrdept@ca.bureauveritas.com
