Mining Lab Manager (MSLM_1902)

A WORLD LEADER IN TESTING, INSPECTION & CERTIFICATION SERVICES

Bureau Veritas offers dynamic, exciting employment opportunities to play a vital role with a global organization. If you would enjoy working in a dynamic environment and are looking for an opportunity to become part of a stellar team of professionals, we invite you to apply today.

Position Summary

BVCC is currently recruiting for a full time **Mining Lab Manager** working at the Myra Falls on-site laboratory on Vancouver Island. This position will report to the Regional Director of Canada and Caribbean. This position manages the on-site laboratory but will be required to perform duties relating to preparation and processing of ore and exploration samples, including sample preparation, Wet Assay and Fire Assay analysis as well as other analytical processes as required. Training will be provided in Vancouver main laboratory. This position is based in a mine site facility and will follow a staggered work schedule.

Duties and Responsibilities

- Manage all aspects of operations of the on-site laboratory
- Maintain required turnaround schedule as agreed with on-site mine
- Performing laboratory tasks
 - All stages of sample preparation including receiving and entering samples into the LIMS system
 - Laboratory related tasks such as digestion, fusion by Classical Assay and Fire Assay methods
 - Analysis of samples (operating AA and ICP-OES instrumentation) and review of data
- Comply with all company policies, OHS regulation, lab safety procedures and applicable Quality System SOPs
- Other tasks as assigned or required from time to time

Experience and Qualifications:

- On-site laboratory experience
- Minimum completion of college or technical diploma in Chemistry or Science
- Three (3) to five (5) years' experience in laboratory management required
- Strong background in Fire Assay, AA and ICP-OES (hands-on experience running the instruments)
- Ability to handle heavy loads up to 50 lbs
- Familiarity with chemicals and laboratory procedures
- Knowledge of occupational health and safety regulations
- Experience with computer operations required

Remuneration:

- Starting wage ranges from \$80,000 to \$90,000 per annum, depending on experience

All interested candidates should forward both resume and cover letter by email, quoting reference **MSLM_1806** to: hrdept@ca.bureauveritas.com

Bureau Veritas is an equal opportunity employer

Candidates applying for Canadian job posting must have unrestricted authorization to work in Canada.
