

CAREER OPPORTUNITIES

Maintenance Millwright Supervisor (MS_MILL_1904)

Step Up Your Career!

Are you an experienced, technically-competent Millwright ready for more responsibility? Do you wish to head up projects and train/guide millwright apprentices? Are you ready to advance to the next level and in search of a better career opportunity? Do you have the drive to succeed in a supervisor's role with room to progress even further?

With more than 200 employees, BV Minerals' assay laboratories are growing: with repair and maintenance of complex systems and high-tech, state-of-the-art equipment, plus special, challenging projects that come with one of the most advanced processing operations in Vancouver. Come join a stable, well-established global player and build your career with confidence and security.

The Company

Established in 1828, Bureau Veritas has an extensive market presence. BV Minerals in Vancouver operates as the Divisional headquarters for 16 other feeder labs across Canada, the US, Mexico, central America and the Caribbean! Vancouver's operations receive and process hundreds of thousands of geological samples from mines and educational institutions from around the world. Although offsite travel is **not** required for the Maintenance Millwright Supervisor, the Vancouver Maintenance department is a critical cog serving BV Minerals' business and clients throughout the world.

The Position

BV Minerals is currently recruiting for the position of **Maintenance Millwright Supervisor**, responsible for training and oversight of in-house millwright apprentices and leading repair and maintenance of BVCC equipment, plus other special maintenance-related projects. Applicants must have a **Millwright Certificate (or Red Seal)**.

- Competitive compensation package DOE
- Extended Benefits package after 3 months' full-time employment
- Full-time position, 40 hours per week.
- Overtime paid at 1.5x

The Location

The divisional head office and laboratory of BV Minerals is located near the Oak Street Bridge, just 10 minutes from Vancouver International Airport, with plenty of private, secure, onsite underground parking.

Why Should You Apply

- Complex, challenging maintenance projects.
- Living in the Fraser Valley? We can work with you on a schedule that minimizes your travel time (eg. 4x10-hour shifts).
- Extraordinary growth and advancement opportunities.

If interested and feel that you are the right person for a Supervisor's role, please forward your cover letter and resume by email, quoting reference **MS_MILL_1904** to: hrdept@ca.bureauveritas.com

Bureau Veritas is an equal opportunity employer
