Position Summary

Reporting to the **Wet Assay Manager** and under the general supervision of the Wet Assay Supervisor, the **Wet Assay Technician** position is based in Vancouver, BC and performs routine and non-routine analyses of samples by established analytical techniques. This position is available for afternoon shift (3-11pm) or night shift (11pm to 7am). Flexible part time shifts are also available. Working overtime and weekends may be required as needed.

Duties and Responsibilities

- Accurately conduct routine and non-routine analyses of samples using the appropriate method or instrument and in accordance with the established schedule
- Provide technical support to the senior technician and lab assistants
- Maintain a reasonable supply inventory
- Perform routine clerical tasks, washing and other cleanup duties as required
- Operate required instruments such as Atomic Absorption and its associated computers
- Comply with all OHS, laboratory safety procedures and requirements of applicable ISO Quality System SOPS
- Other duties as assigned from time to time

Experience and Qualifications

- BSc or BCIT diploma or relevant experience in similar laboratory environment
- Minimum 1 year direct laboratory experience
- Strong organizing, time management, communication and interpersonal skills
- Must be able to work afternoon shift hours (3pm to 11pm) or night shift hours (11pm to 7am)

Remuneration

- Starting wage of \$17.00 per hour
 - Plus shift premium for both afternoon and night shifts
- Eligible for extended Benefit Plan after 6 months full time employment
- Scheduled shuttle service provided to/from Marine Drive Skytrain station

All interested candidates should forward both resume and cover letter by email, quoting reference **WAT_1903** to: hrdept@ca.bureauveritas.com
